

Göteborg 2014-06-04

Letter of Assurance

ISO 9001:2008

Centrum Klima S.A. was successfully audited by Bureau Veritas Certification during April 2014 on above standard.

Because of the generic process of certification and the administration related (Technical Review etc.) at the accredited Bureau Veritas Certification office in Gothenburg Sweden, the client has to await a short period for the original hard copy of certificates.

The sites included in the certification are;
Mazowiecki (Head Office)
Warszaw

If you have any question related to this audit of Centrum Klima S.A. certificates, you are welcome to contact Bureau Veritas for further information.
